

# Help Us Strengthen Louisiana's Disability Service System!

## HCBS Appropriation

- Requesting a state general fund appropriation of \$1.5M to increase reimbursement rates for transportation services for individuals with developmental disabilities.
- Support LDH's budget request to annualize the \$2.50/hour increase the legislature passed in 2021 for services for individuals with developmental disabilities.
- Support LDH's budget request to increase the rate for services for elderly individuals.

### Components of the Disability Service System:

## ICF Appropriation

- Requesting a state general fund appropriation of \$8.2M SGF to increase reimbursement rates for ICF resident services.

## Support Coordination Appropriation

- Requesting a state general fund appropriation of \$3.3M SGF to increase reimbursement rates for SC services.

We are asking you to invest an additional \$13M SGF in the disability services system in the 2022 session. Individuals with disabilities in Louisiana, their families, and the organizations who serve them are counting on you!
